Police warns of the possibility

of fake \$100 bills in the area.

Sleepy Eye, Minn- The Sleepy Eye Police Department is warning individuals and businesses about the possibility of fake \$100 bills being passed. Reports have been made in Fairmont and in Windom, in the Bank Midwest Branches, of the receipt of fake \$100 bills. The bills look and feel real, and pass the bill marker test, because they have been printed on one dollar bill paper.

The only way to tell if these are fake, is to check the gold "100", in the corner of the bill. It should change color slightly, when tilted. The fake bills do not. Also the watermark is constantly visible on the fake bills, as well.

If you receive any of the bills, or catch someone trying to pass them in your establishment; you are encouraged to call law enforcement.

****NOTICE****

Effective July 1st: Monthly and quarterly member statements will no longer be mailed to the branch offices. They will be mailed directly to the address you have provided DCCU.
