SCHOOL is Back in SESSION!

- Slow Down and Be Aware!
- Be careful when driving on neighborhood streets and around school zones.
- Watch for children on bicycles at intersections and driveways. They may dart out without looking for traffic.
- When you approach a school bus picking up children, it is the law to STOP. When the flashing lights come on and the red stop sign extends from the bus please STOP!

Important Reminders For Cardholders!

- If you receive a call from an unidentifiable phone number, confirm that the caller is someone you know and trust. If you are at all suspicious, hang up and call your financial institution directly.
- Keep in mind there are many different tactics fraudsters use to try to get you to disclose information.
- Tips on avoiding a phishing scam:
 - + Stop, slow down and determine if this is a normal request.
 - + Is this somebody you have interacted with before?
 - + Is the information being asked of you reasonable?
 - + Is there a safer way to communicate this information?

Do not trust Caller ID, or take for granted the person is who they say they are.

*Count on the people you know -
to help with your banking needs!*
