Step**Screen****Update User Profile**

From the **User Profile** screen, the user can update his or her profile information by following the steps below:

1. Tapping the field he or she wishes to update and enter the new information.
2. Tapping **Submit**.

Manage Payments

Cardholders whose financial institutions haven't subscribed to SHAZAM BOLTS\$ P2P will only see the "Select Receive Card" option under **Manage Payments**.

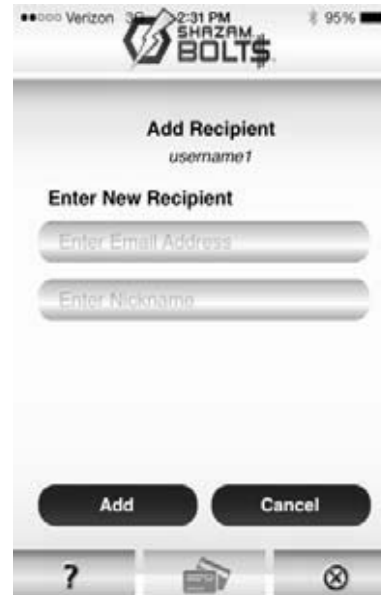

If the cardholder's financial institution is subscribed to the SHAZAM BOLTS\$ P2P service, the following options will be available:

- Add Recipient
- Edit Recipient
- Delete Recipient
- Select Receive Card

Step**Screen****Add Recipient**

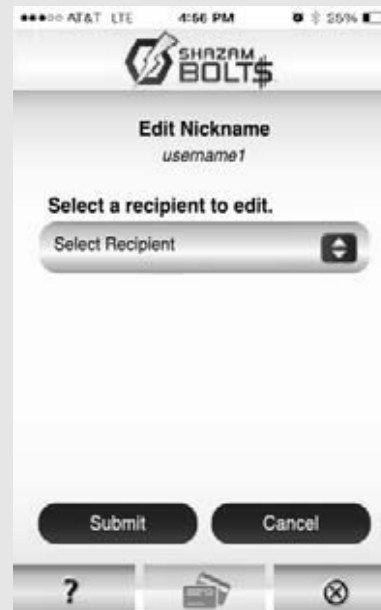

The user can add a recipient to receive P2P payments by doing the following:

1. Enter the recipient's email address.
2. Establish a nickname for the recipient. The nickname can be the recipient's real name or a name the user calls the recipient.
3. Tap **Add** when complete.

**Edit Recipient**

The user can edit a recipient's information by tapping **Edit Recipient** from the Manage Payments screen. From there, the user can:

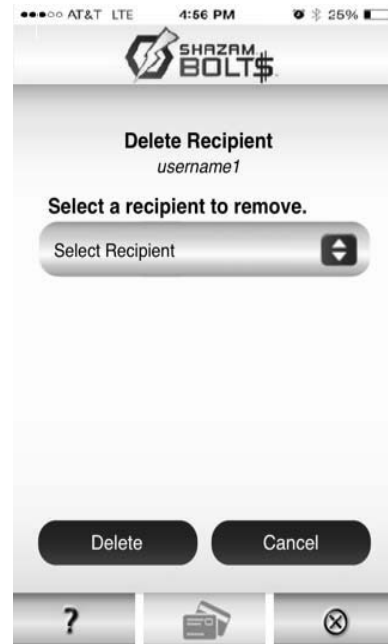

1. Select the recipient he or she would like to edit.
2. Make appropriate edits.
3. Tap **Submit** when complete.

Step**Screen****Delete Recipient**

The user can delete a recipient to receive P2P payments by tapping **Delete Recipient** from the Manage Payments screen. From there, the user can:

1. Select the recipient he or she would like to delete.
2. Tap **Delete** when complete.

**Select Receive Card**

By default, the SHAZAM BOLT\$ app will select the first card a cardholder adds to the service as the “receive” card for payments. However, if the cardholder has two or more cards and would like to change the card to which he or she receives money, the cardholder can do so by tapping **Select Receive Card** from the Manage Payments screen.
